Dear Sadr Lajna Imaillah Australia,

Assalamu Alaikum Warahmatullahi wabarakathhu

I have received and read your letter of 17th July 2008 requesting for a message to be read out in the National Lajna Imaillah Ijtema to be held from 22nd to 24th August 2008. Jazakamullah.

We, being the fortunate ones to celebrate the first Ahmadiyyia Khilafat Centenary, this is not a time for pomp or merriment, but one of sincere thanksgiving that the bounty promised to the true believers of God had taken root and is flourishing. The Institution of Khilafat is a heavenly system of leadership which Allah the Almighty grants to the true believers, for their spiritual prosperity and progress. However this great bounty of Allah is conditional upon the faith and righteous deeds of the believers.

So, inculcate with prayers the spirit of total obedience to Khilafat not only in yourself but in your children as well, and fulfil your duties to Allah the Exalted. Do not merely keep an eye on the secular education of your children but provide them with a religious atmosphere in your homes. Link your children with the mosques, draw their attention to acquiring knowledge of faith, draw their attention to learning the Holy Quran. Influence your future generation in a positive manner. Set virtuous example in your worship, because Khilafat has a deep connection with those devoted to worship.

Transform yourself into pristine models of the teachings of Islam, so that by the charisma of your spiritual powers and the magnetic force of your conduct, you become the cause of guidance for others in Australia and beyond. If your aim is to progress and be triumphant over the world, then my advice and message for you is to maintain a bond with Khilafat and to firmly hold onto this cord of Allah. May Allah help and support you and may He enable you to be inspired to a supreme sense of sincerity and devotion with the Khilafat-e-Ahmadiyyia.

Please convey my loving Salaam to all Lajna and Nasirat in Australia.
Wasalaam,

MIRZA MASROOR AHMAD
